Portal & Clearinghouse

- Transition Complete ✓

- Moved to Amazon Web Services on January 18, 2017

- Operated by University of Kentucky

- Software maintained and updated by GENI Project Office

GPO Single Sign On

- Transitioning to NCSA Single Sign On

- Key dates for GPO Single Sign On:

    - November, 2016: No new accounts

    - March, 2017: Migration to other accounts enabled

    - April, 2017: Login disabled, migration still available

    - May/June, 2017: Shutdown, migration no longer available

GPO Software

https://github.com/GENI-NSF

GitHub

- Ready For Transition ✓

- All GPO Software is on GitHub

- The main repositories use many GitHub features

  - Issues, pull requests, releases, and wikis

Documentation

- Ready For Transition ✓

- Documentation can be found in several places:

  - Inside Git repositories

  - In GitHub wikis

  - In the GENI Trac wiki

- More will migrate to GitHub for easier community maintenance
